## Your full-service furniture vendor

Flexible preschool furnishings are critical because they aid children through developmental milestones and support Kindergarten readiness. Our selection of flexible furniture makes it easy to create spaces where little learners feel supported and nurtured in all areas of development. Plus, we take hassle out of managing furniture projects with services like:

- ✓ Start to finish project management
- ✓ Free room design services
- ✓ On-site installation support
- ✓ Purchasing compliance
- ✓ Warranty and claims management

# Trends in early learning spaces

## Flexible furnishings

Flexible classroom furniture allows teachers to instantly reconfigure their space to support various activities – plus, it keeps early learners comfortable and engaged. Our mobile and lightweight desks, chairs, soft seating, and storage effortlessly accommodate any way of teaching and any way of learning.

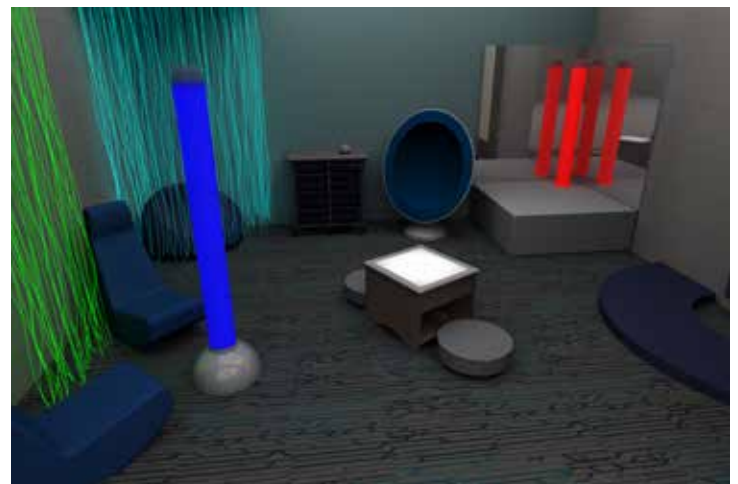

## Outdoor learning

Learning outdoors not only boosts students' mood but increases engagement and improves focus. From plastic stools and lightweight folding tables to outdoor sinks and mud kitchens, we have durable yet versatile furnishings that make it a cinch for teachers to move class time outside.

## Sensory spaces

Sensory spaces are designed to help children calm and focus so they are ready to learn and interact with others. Our plush rugs, bean bag chairs and sensory tools like sound panels and fiber optic lights allow teachers to create a cozy space that helps early learners regulate their emotions and develop sensory skills.

# Why innovative educators choose School Outfitters

We have resources and expertise that early learning educators won't find anywhere else.

- Free room design services
- Innovative brands we design and manufacture
- Safety and sustainability product certifications
- Ready-to-ship inventory at five warehouses
- Delivery and installation services that fit your needs
- On-site installation managers

**Ready to get started?** Let's talk! We'd love to hear about your next project and discuss how we can turn your visions into reality.
