# Learn more about Esports

**Q: What are the benefits of Esports?**

**A:** Competitive gaming helps develop fine motor skills, strategic thinking, social-emotional skills and teamwork. It also exposes teens to career opportunities and scholarships that exist within the video game industry.

**Q: How old do kids need to be to play?**

**A:** There are no Esports age regulations. Your Club can set its own team age restrictions.

**Q: What equipment do I need to get started?**

**A:** You will need a few basic gaming necessities to get started, like [computer tables](#), [gaming headsets](#), and [gaming mice](#).

**Q: How much does an Esports space cost?**

**A:** A simple setup for casual gamers or small groups might cost anywhere from \$2,000 to \$5,000. This would include basic gaming PCs or consoles, [comfortable chairs](#), and minimal décor. A more dedicated space with better equipment might cost anywhere from \$5,000 to \$20,000. The experts at School Outfitters can work within your budget, no matter what its size.

**Q: Who can help me get started?**
