School Outfitters is proud to be the only member of the **Association for Career and Technical Education (ACTE)** with experience outfitting K-12 and higher education learning spaces.

It's why CTE schools across the country trust us to design training spaces for their students that are safe, flexible, and engaging.

We have the durable [CTE furniture and equipment](#) you need to prepare students for lifelong careers in:

- Healthcare
- Food Service & Hospitality
- IT & Cybersecurity
- Cosmetology, Beauty & Barber
- Building & Repair

Our suite of [expert project services](#) like custom space planning, ready-to-ship inventory, hassle-free installation and more guarantees your project will get done on time and on budget – no matter its size.

Ready to start your next project?

Explore our [Career & Technical Education collection](#) for ideas and inspiration.

Or contact our experts at **1-800-260-2776** or at sales@schooloutfitters.com. We'll listen to your needs and map out a plan that works for you.
