School Outfitters, your approved Dallas ISD vendor

Our experts work with you for custom solutions

At School Outfitters, we deliver more than just furniture and equipment – we deliver complete project services. That includes expert consultation and space planning, guaranteed purchasing compliance, hassle-free installation and more.

It's how our experts seamlessly manage your furniture project from start to finish, whether it's new construction, major renovations or adapting classrooms to new safety standards.

And with our exclusive, ready-to-ship inventory, you can be sure your project will get done on time and on budget.

Furniture for all your learning spaces

We partner with nearly 300 trusted manufacturers to bring you thousands of high-quality products. Whether you need durable science lab tables, makerspace workstations, flexible classroom tables and chairs or common area soft seating – we've got what you need. Plus, we've got four exclusive brands that offer products – and savings – you won't find anywhere else.

Never miss the best deals again: we're an authorized vendor on the Dallas ISD Furniture and Services Contract and a variety of regional and school district contracts throughout Texas.

Expert customer support

Our project specialists handle every step of the order process for you. We'll research and recommend products that meet your specific needs, work within your budget and design the best layout for your space. We'll even file product warranties on your behalf.

First class delivery services

Our experts work hard to customize your delivery services – whether you require a lift gate, inside delivery or white glove installation. No matter your needs, our network of local delivery and installation partners make it happen.

Quick Shipping

Need products in a hurry? Shop hundreds of items that ship in 24 hours. We own multiple warehouses of inventory, all within the U.S. – this means our products travel fewer miles and have less risk of damage.

We accept school purchase orders & P-Cards.
